25.1 Write up on Culture and beliefs of the organisation to be included in the orientation kit:

Organisation Culture:

Vidyaposhak encourages its members to work independently, with least dependence and negligible supervision so the cost of supervision itself will be very low. There are rules and policies but what is more important is the spirit rather than rights. Nevertheless all the staff can enjoy the facilities offered by Vidyaposhak society with prudence and ownership. This simply means that Vidyaposhak values ownership of their project and the organisation rather than mere adherence to rules and work.

The members are expected to be ambassadors of the organisation, its mission and vision for the outside world. One should not restrict only to their respective projects on hand while talking to the public but always strive to propagate the motto and services of the organisation as a whole.

Vidya Poshak

(Empowering Educational Community)

The members associated with Vidyaposhak society respect each other, also each other's views and behave in a matured way (with prudence) and maintain a very cordial atmosphere at the work place, handling their works and relations with calmness and decency so being at work becomes a very enjoyable experience.

The society encourages usage of technology for discharging our day to day duties efficiently. Those knowing vehicle driving (of course with license) will have an added advantage.

Each member always keeps his/her room/table and surroundings in the office in a neatly manner.

We encourage use of environment friendly items and avoid use of materials like plastic cups.

Thanks letter/mail should immediately follow the function or after meeting an outsider.

Beliefs of organisation:

- ✚ VP is inclusive society. Vidya Poshak believes in servicing its clients without any bias of caste, region, religion, gender etc., thus being truly secular in all sense.
- ✚ The community is most important for Vidyaposhak since all the projects will essentially be driven by the community at large. While Vidyaposhak has large volunteer base for execution of various programmes, the donor community takes care of the fund requirement. All these stake holders (students/teachers/donors/volunteers) are given utmost care and respect.

Vidya Poshak

(Empowering Educational Community)

- ✚ We never resort to any unfair practices whatsoever for any service that needs to be reached to the ultimate customer.
- ✚ We believe only in functional hierarchy. All the family members though working in different levels are treated the same with total transparency since the contribution from every single member cumulatively ensures success of all programmes and assists in carrying forward the mission of the organisation.

- **Be humble:** Our number-one goal is to offer each customer great service, but we're certainly not perfect and we do make mistakes. Let's stay focused on working to deliver great service instead of bragging about it.
- **Be a good listener:** Keep in mind that one of the biggest benefits of social media is that it gives our donors, beneficiaries another way to talk to us—to ask us questions directly and to share their feedback.

AVOID CONFLICT OF INTEREST.

Don't share the following:

- **Confidential information about our Donors, Volunteers, Partners & all our stakeholders**
 - Do not publish, post or release information that is considered confidential or not public.
 - Do not post any comparisons or difference in opinions about Partnering organization, Donor Agencies, Volunteers , Donors, Vendors or our Competitors.
 - If any member of the media contacts you, as always, refer them to the concern person in the organization
