8. I am willing to contribute to the Vidya Poshak organization under the following.

(✓ one or more )

**Adopt a Vidya Poshak scholar by donating (Once I start earning).**

**Imparting skills:** This would include some tutorials / sessions conducted by Vdiya Poshak and can guide students ... this also could include conducting mock interviews etc.

**Connect people and organizations to Vidya Poshak:** If you know students who need help or donors who can help, you can connect them to Vidyaposhak. You would be the key factor in the growth of Vidyaposhak.

**Donate Time for the activities as a volunteer:** This could involve spending couple of hours in the weekends doing house visits in order to do the need analysis, mentoring the students, listening and solving out their problems related to education.

We do matter, we can bring a smile to a student and we can make a difference....

**Any other (Please mention)**
